Dear Members and Friends,

What a marvelous weekend around here filled with the richness of outstanding music!

On Friday evening, the Stevenson School music department presented a fabulous program from full orchestral pieces with absolutely outstanding musicianship. The drummer stole the show backed up by amazing young people who were so proficient in their playing. The evening offered an amazing jazz group, string quartet and choral pieces that had everyone responding with standing ovations! It was a WOW evening!

Then Sunday morning with violist, Maestro Edwin Huizinga, lifting our spirits and almost getting us up on our feet and dancing a waltz and even a jig! One member of the congregation with an ear-to-ear smile remarked, “What a service, if people knew how much of a good time we have here, we’d be packed out!”

The afternoon concert was outstanding with a duo team of master musicians who, once again, knocked it out of the park! I hope that is legit to use a sports term for a musical performance! Edwin Huizinga and Bill Coulter were amazing and everyone there, I am sure, was absolutely delighted.

What a day of worship, music and fun! It really doesn’t get any better than that. I don’t know about you, but I am so delighted to be a part of this experience we call Church in the Forest! Thank you to Melinda for arranging all of our great music!

See you in Church,

William B. Rolland
