Dear CitFers,

I climbed the stairs to our organ loft twenty years ago for the first time. I was somewhere on a scale between terrified and exhilarated, what my know-it-all quantum-mechanic husband would call a mixed state, which could be forced into one definite state or the other by whatever happened next.

What happened next was that I fell utterly in love with the people, the place, and the privilege of doing exactly what I wanted, which was to make music for us all to enjoy. And to write about it in such a way that none of us would have to take it more seriously than our temperaments permitted. If it has been less serious than your individual temperament favors, then I can only admire your personal gravitas. My friends and relatives always told me I was a failure at lofty; it is evidently something you are born with or not.

Thank you for allowing my imagination to run wild. Thank you to Bill and Charles and Ken, to Kay and Sherry and Mary and all the Boards who have encouraged me and made a place for me in this church and this community. Thank you for these marvelous years.

Dear Members and Friends,

One of you sent me an email recently which I just had to share with all of you. Have a great week and God bless you.

Don't let your worries get the best of you;
Remember, Moses started out as a basket case.

Some people are kind, polite, and sweet-spirited
Until you try to sit in their pews.

Many folks want to serve God,
But only as advisers.

It is easier to preach ten sermons
Than it is to live one.

When you get to your wit's end,
You'll find God lives there.

People are funny; they want the front of the bus,
Middle of the road,
And back of the church.

If a church wants a better pastor,
It only needs to pray for the one it has.

Some minds are like concrete
Thoroughly mixed up and permanently set.

Peace starts with a smile.

Be ye fishers of men. You catch 'em—He'll clean 'em.

Don't put a question mark where God put a period.

See you in church,

William B. Rolland
