This is why marriage is so much more interesting than divorce: Because it's the only known example of the happy meeting of the immovable object and the irresistible force. So I hope husbands and wives will continue to debate and combat over everything debatable and combatable. Because I believe a little incompatibility is the spice of life, particularly if he has the income and she is patable.

—Ogden Nash

It's a little out of date, but Nash is never second rate.
Besides if you're on the lookout for gender bias,
You'll surely find it in a discussion of any sort,
And drag us into court and try us.

Dear Members and Friends,

For you to think about as we begin this season of Lent

“Our Deepest Fear”

Our deepest fear is not that we are inadequate.
Our deepest fear is that we are powerful beyond measure.
It is our light, not our darkness
That most frightens us.

We ask ourselves
Who am I to be brilliant, gorgeous, talented, fabulous?
Actually, who are you not to be?
You are a child of God.

Your playing small
Does not serve the world.
There’s nothing enlightened about shrinking
So that other people won’t feel insecure around you.

We are all meant to shine
As children do.
We were born to make manifest
The glory of God that is within us.

It’s not just in some of us;
It’s in everyone.

And as we let our own light shine,
We unconsciously give other people permission to do the same.
As we’re liberated from our own fear,
Our presence automatically liberates others.

—Marianne Williamson
