Dear Friends,

Many Church in the Forest members are involved in service and care in our community and beyond. With your worthy and generous commitments elsewhere, how can we ask you also to support Church in the Forest?

A life of community service and family care requires a foundation to sustain you—our church provides that sacred grounding. You can truly meet God in our beautiful sanctuary, our music, and words of worship. Beyond formal worship, our church members encourage each other, bring prayers of strength, and build a deeper sense of community. These formal and informal activities are the foundation for a life of service, of insight about oneself and others, of family care, of spiritual maturity.

Beginning this Sunday we'll hear from our fellow church members about what our church means to them and why they support our Annual Stewardship Campaign. I look forward to their stories and their spirit!

See you Sunday,

The Reverend Joanne M. Swenson, Th.D.
