How Do You Keep The Music Playing?

How do you keep the music playing? How do you make it last?
 How do you keep the song from fading too fast?
 How do you lose yourself to someone and never lose your way?
 How do you not run out of new things to say?
 And since we know we're always changing, how can it be the same?
 And tell me how, year after year, you're sure your heart will fall apart
 each time you hear their name?
 I know the way I feel for you, it's now or never.
 The more I love, the more that I'm afraid that in your eyes
 I may not see forever.
 If we can be the best of lovers, yet be the best of friends,
 If we can try with every day to make it better as it grows,
 with any luck, then I suppose, the music never ends.

Dear Members and Friends,

Salty, Bright, Good Worker Person

That's what Jesus declared you and I are... "You are the salt of the earth! You are the Light of the World... let your light shine so they may see the good works you do and glorify the Father, which is in heaven." (*Matthew 5:13-18*). It is a confirmation, an acknowledgement, a statement of blessing. We don't have to do something to earn these titles, they are who we are by God's grace.

So you salty, bright, good doer...carry on!! Let your light shine, bring flavor to your environment, keep on doing those random acts of kindness!!

Several of you asked if I could print the portion of Ann Weems' poem "I Celebrate The Church of Jesus Christ." Thank you for asking and I pray you are inspired by it.

*The church of Jesus Christ is where daisies bloom out of barren land...
is where mountains are moved and walls come tumbling down.*

*The church of Jesus Christ is where people go when they skin their
knees or their hearts...*

is where judges don't judge and each child of God is beautiful and precious.

The church of Jesus Christ is where the sea divides for the exiles...

is where the ark floats and the lamb lies down with the lion...

is where people can disagree and hold hands at the same time.

The church of Jesus Christ is where people write thank-you notes to God...

is where seeds are scattered and miracles grown.

The church of Jesus Christ is where home is...

is where heaven is...

*The church of Jesus Christ is where we live responsively to God's coming...
even on Monday morning the world will hear...
an abundance of alleluias!*

Keep shining and see you in church,

Ken Feske
