Monday morning, March 30, 2015

Dear Members and Friends,

We are now in the middle of “Holy Week” which I trust will be a time of reflection, contemplation and assurance. It can be an extraordinary time of discovery, and I pray that that will be the case for each of us.

Easter Sunday is just a few days away when we get to revisit the story of the resurrection of Jesus the Christ. One of the most striking accounts of the effects of the resurrection was made by none other than Beatle, Ringo Starr. He turns 75 on July 7 of this year, but on the occasion of his 70th birthday, he was quoted as saying: “I feel that the older I get, the more I’m learning to handle life. I have been on this quest for a long time, and have discovered that it’s all about finding yourself. For me, God is in my life. I don’t hide from that. I think the search has been on since the 1960s. I stepped off the path there for many years and found my way back onto it, thank God.”

What a great Easter resurrection story! Yes, thank God. By the way, Starr wasn’t speaking at a church when he made this confession. He was speaking at the Grammy Awards Museum in Los Angeles.

I look forward to seeing you at one of the Easter services,

William B. Rolland

Please put **Sunday, May 3** on your calendar because we will be holding our annual **Spring Breakfast beginning at 8:15 am**. This is an event not to be missed. See the bulletin board to sign up for this fun and yummy occasion or contact Sherry in the Church Office.
